

2023
MEDIA KIT

Global Custodian has been the authoritative editorial voice of the global securities services industry for over 30 years.

The publication, with a circulation of over 20,000 industry professionals in 128 countries around the world, is defined by high-quality editorial, awards evenings and a series of annual surveys that have become benchmarks for the industry. Over the past two years we have also launched a flourishing multimedia suite of high-quality videos, documentaries and podcasts.

Through digital, print, events and research, we are delighted to serve the securities services community with the most-trusted source of news, insights and data, leaning on both our rich history and innovative vision for the future of publishing.

WHAT WE DO

GC MAGAZINE

Global Custodian's flagship magazine has been the leading editorial voice of the securities services industry for over 30 years. Delivered five times annually to thousands of readers around the globe, the magazines explore key industry themes with analysis provided by leaders from the global post-trade and fund services communities.

- Build brand awareness and establish your position as an industry thought leader by contributing advertising and content to the print magazines.

GC DIGITAL

Global Custodian's digital channels include our website, daily editorial newsletters, state-of-the-art webinar platform and the GCTV multimedia portal, which encompasses our industry-leading documentaries and digital features, award-nominated podcasts and in-depth video interview series.

- Increase the impact of your firm's message and position your experts as leading voices of the industry through our multimedia platforms.

GC EVENTS

Our awards ceremonies saw record numbers of attendees in 2022, while the return of roundtable discussions and panel events proved incredibly popular. In 2023, we plan to increase the number of thematic roundtable discussions, webinars and panels across the world.

- Sponsor events and/or panel sessions to engage with a targeted audience in a face-to-face environment.

GC SURVEYS & RESEARCH

Global Custodian's best-in-class industry surveys have been used by the world's largest financial institutions to measure client perception for over 30 years. The results of these surveys inform several categories at our awards ceremonies, and accreditations are available for providers to publicise their successes.

- Participate in our surveys to position your firm as the leading player in your market, with analysis, awards and accreditations from the survey results.

DOCUMENTARIES

Our documentaries continue to be a hit with our audience, rewarding the high quality output and production that goes into them. Where these digital features once covered broad themes such as custody and fund administration, in 2023 we will be looking for more niche areas of focus, whether that covers a region, a market trend or a particular asset class.
